4. **OBSERVATION:** Therefore, it is evident from the *table-4.a & 4.b* that students expressed their satisfaction for all the questions.
- It was also observed that the college has scope for improvement for its IT facilities, classroom infrastructures, toilet, drinking water and canteen facility.
 - Students were also asked to suggest the areas in which they want the institution to improve. The major areas raised by them were to ensure well managed toilets, better water supply, need to sufficiently increase the number of faculties in all departments, inadequacy of sports equipment etc.
6. **Concluding remark:** The feedback from 300 respondents can be considered as a comprehensive account of students' satisfaction survey on which the institution can work on its potential areas of improvement. This feedback will be considered for discussion in subsequent meetings in IQAC as well as Governing Body of the College.
7. **Acknowledgment:** The active engagement of the IQAC members regarding the preparation of questionnaire, collection and analysis of the feedback is highly appreciated.

5. **OBSERVATION:** Therefore, it is evident from above table & pie graph that faculty expressed their satisfaction for all the questions.
- It was also observed that the college has scope for improvement for its IT facilities, classroom infrastructures, toilet, drinking water and canteen facility.
 - Faculty were also asked to suggest the areas in which they want the institution to improve. The major areas raised by them were to ensure well managed toilets, better water supply, need to sufficiently increase the number of faculties in all departments, inadequacy of research facility & IT equipments etc.
6. **CONCLUDING REMARK:** The feedback from 13 respondents can be considered as a comprehensive account of whole things on which the institution can work on its potential areas of improvement. This feedback will be considered for discussion in subsequent meetings in IQAC as well as Governing Body of the College.
7. **ACKNOWLEDGMENT:** The active engagement of the IQAC members regarding the preparation of questionnaire, collection and analysis of the feedback is highly appreciated.

5. **OBSERVATION:** Therefore, it is evident from the table-4.a & 4.b that students expressed their satisfaction for all the questions.
 - It was also observed that the college has scope for improvement in terms of its road condition, virtual classrooms, arranging career counseling sessions, mentor-mentee classes, IT facilities, toilet, drinking water and canteen facility.
 - Students were also asked to suggest the areas in which they want the institution to improve. The major areas raised by them were to ensure well managed toilets, better water supply, need to sufficiently increase the number of faculties in all departments, inadequacy of sports equipment, skill oriented vocational courses etc.
6. **CONCLUDING REMARK:** The feedback from 154 respondents can be considered as a comprehensive account of students' satisfaction survey on which the institution can work on its potential areas of improvement. This feedback will be considered for discussion in subsequent meetings in IQAC as well as Governing Body of the College.
7. **Acknowledgment:** The active engagement of the IQAC members regarding the preparation of questionnaire, collection and analysis of the feedback is highly appreciated.
