Report on MOU Collaboration with Swastika Flex

1. **Date of Execution of MOU:** 03/05/2023

2. **Tenure of the MOU:** 5 years (Ends on 02/05/2028)

3. **Purpose/Objectives of MOU:**

- To promote education and practical skills in digital graphics, digital printing software, and binding among the students of Dhupguri Girls' College.
- To enhance students' understanding of the digital printing industry and prepare them for future careers in this field.

4. **Activities conducted under MOU:**

Date	Department	Nature of Activity	Place of Visit	Participants/Coordinators	Field Associates
03/05/2023	Various Departments	Printing Setup and Technology Course	Dhupguri Girls' College Campus	IQAC Coordinator, Swaroop Kumar Mitra (Proprietor, Swastika Flex) Student Participants: 17	Swastika Flex

5. **Detailed Report: Title:** Printing Setup and Technology Course at Dhupguri Girls' College on 03.05.2024

Objective: The primary objective of the course was to provide students with hands-on training and knowledge about the setup and technology used in digital printing. The course aimed to equip students with practical skills and insights into the digital printing industry.

Activities Conducted:

- Educational Sessions:** Detailed presentations on various aspects of digital printing technology, including the setup of printing equipment, software used in digital graphics, and the latest trends in the industry.
- Hands-On Training:** Students received hands-on experience in setting up and operating digital printing equipment, understanding the workflow, and troubleshooting common issues.
