Notice

Date: 13-03-2023

This is to inform to the students that a 5-day Capacity Building Programme on QGIS is going to be held from April 10th to April 14th, 2023, at Dhupguri Girls' College. This event is organized in collaboration with Birpara College and IARI, Kolkata. The workshop aims to equip participants with fundamental skills and knowledge in utilizing QGIS, the widely-used open-source Geographic Information System (GIS) software.

For further details and registration, contact the college office and website.

Program Report: 5-day Capacity Building Programme on QGI

The 5-day Capacity Building Programme on QGIS was organized in collaboration with Birpara College and IIARI, Kolkata. The workshop aimed to provide participants with basic knowledge and skills in using QGIS, a popular open-source Geographic Information System (GIS) software. The program was conducted from **10th April to 14th April, 2023**, at Dhupguri Girls' College.

● **Participants:**

A total of 113 participants from various educational institutions attended the workshop. These participants included students, faculty members, and professionals interested in GIS and spatial analysis. The program received an overwhelming response, indicating the growing interest in geospatial technologies.

● **Workshop Sessions:**

The workshop primarily focused on imparting basic knowledge and practical skills in using QGIS software. The sessions covered the following topics:

1. Introduction to GIS and QGIS
2. Data acquisition and management
3. Spatial analysis techniques
4. Cartography and map production
5. Remote sensing integration with QGIS
6. Advanced plugins and tools in QGIS

The sessions were conducted by expert trainers from IIARI, Kolkata, who provided hands-on training and guided the participants through various exercises and practical example.

- Inaugural Ceremony:**
- Inaugural Ceremony (10th April 2023):**

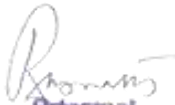

The workshop commenced with a grand inaugural ceremony held in Room No. 5. The ceremony began with a gathering and the lighting of the lamp, followed by a soulful opening song performed by students. The guests were felicitated during the ceremony. The conveners, Dr. Debarshi Ghosh (HOD, Dept. of Geography, DGC) and Mr. Pranoy Dey (HOD, Dept. o Geography, Birpara College), delivered the welcome address. A mesmerizing dance performance by Sharmistha Modak, a 6th semester student of Geography, added color to the event. The inaugural addresses were delivered by Dr. Debnath (Principal, Dhupguri Girls' College), Dr. Jyotirmoy Roy (TIC, Birpara College), Professor Subir Sarkar (Ex-HOD, Senior Professor, Dept. of Geography & Applied Geography, NBU), Anil Chakraborty (Governing Body President, DGC), and Rajesh Kumar Singh (Vice-Chairman, Dhupguri Municipality). The ceremony also included addresses by other esteemed guests and dignitaries, such as Professor Deepak Kumar Mandal (HOD, Dept. of Geography & Applied Geography, NBU), Dr. Nilangshu Sekhar Das (Principal, Sukanta Mahavidyalaya), Professor Piyal Basu Roy (Dept. of Geography, Coochbehar Panchanan Barma University), Dr. A. Basak (Associate Professor, Dept. of Geography & Applied Geography, NBU), and Dr. B.C. Sarkar (Associate Professor, AC College). The inaugural ceremony concluded with a vote of thanks by Mr. Abdul Momin Hoque (Assistant Professor, Dept. of Geography, DGC), the organizing secretary, followed by the National Anthem.

- Closing Ceremony:**

The workshop concluded on 14th April, 2023, with a colorful cultural event during the closing ceremony. Participants showcased their learning outcomes and skills acquired during the program through various presentations, posters, and map displays. The cultural event featured vibrant performances, including music, dance, and drama, celebrating the diverse talents of the participants and creating a joyful atmosphere.

- Conclusion:**

The 5-day Capacity Building Programme on QGIS proved to be a significant milestone in enhancing the geospatial skills and knowledge of the participants. The workshop successfully provided participants with a solid foundation in using QGIS for spatial analysis, data visualization, and map production.

Introduce

5 Days National Level Capacity Building Workshop cum Hands-on Training Programme

QGIS : An Integrated Tool for Mapping

10th April, 2023 - 14th April, 2023

11.00 AM onwards
at
Dhupguri Girls' College

Registration Fee:
Faculty & Research Scholar : 1000/-
Students : 700/-

Registration Link :
<https://forms.gle/foNC18uWuPybD31y8>

CONTACT : 9641800671, 9931189587, 9641791800, 9961725804

SCHEDULE

Day: 1

- Overview of GIS – RS & Its Application
- Data Acquisition & Process.
- Georeferencing : Ground – Image & Image - Image.
- Projection

Day: 2

- Vector Creation & Vector Editing
- Field Calculation & Label,
- Projection Area/Perimeter/Length Extraction

Day: 3

- Import CSV file
- Join external file with vector layer
- Creation of Thematic map
- Layout generation

Day: 4

- Image Classification in Q GIS,
- Geoprocessing
 - I. Attributal query & Spatial query
 - II. Vector Overlay & Raster Overlay

Day: 5

- Advance Geoprocessing
 - I. Clip, Merge, Buffer, Intersection, Union,
 - II. Drone Demonstration

Scope of Workshop

This workshop will appeal to those who require an understanding of research approaches. Most importantly, it will help to enhance the ability to utilize the knowledge/skill in their studies or in professional lives. And also, it will be very helpful to those who are pursuing Under-graduate and Post-graduate courses. The eminent geographers of the world are of the opinion that in near future the Geo-spatial technology will play a pivotal role in the field of research and will help the society at large to frame its policies. This workshop will also help the students immensely, as we focus on their specific courses of both UG & PG. Further, the workshop aims to sharpen the logical mind of students for their upcoming Professional lives. Moreover, this endeavour will make it possible to offer such an expensive course in a pocket friendly manner to the rural folks of North Bengal.

Future Prospects

The student participants can choose the Geoinformatics/GIS based career as an alternative path after completing their studies as the domain promises lots of opportunities in future. The Public sectors

such as central government , state government and innumerable statutory bodies, are directly recruiting the GIS professionals. Apart from them, the huge private sectors are in a hunting mode throughout the year so that they can make up their shortage of manpower. GIS,SQL,NATMO,DST are some of the examples in public domain whereas ESRI, HEXAGON, WRI are one of the leading recruiting MNCs in Geoinformatics/GIS. We are here to assist you in getting a foothold in this domain.

ADVISORY COMMITTEE

- ◆ **Mr. Anil Chakraborty**
President, Governing Body, Dhupguri Girls' College.
- ◆ **Prof. Deepak Kumar Mandal**
HoD, Dept. of Geography & Applied Geography, University of North Bengal.
- ◆ **Prof. Ranjan Roy**
Dept. of Geography & Applied Geography, University of North Bengal.
- ◆ **Prof. Piyal Basu Roy**
Dept. of Geography, Coach Bihar, Patanchan Barma University,
President, Governing Body, Birpara College.
- ◆ **Prof. Shasanka Kumar Gayen**
Dept. of Geography, Coach Bihar, Patanchan Barma University.
- ◆ **Dr. Snehasish Saha**
Assistant Professor, Dept. of Geography & Applied Geography, University of North Bengal.
- ◆ **Dr. Arindam Basak**
Associate Professor, Dept. of Geography & Applied Geography, University of North Bengal.
- ◆ **Dr. Indira Nee Lepcha**
Associate Professor, Dept. of Geography & Applied Geography, University of North Bengal.
- ◆ **Dr. Nazrul Islam**
HoD, Dept. of Geography, Coach Bihar, Patanchan Barma University.
- ◆ **Dr. Bipul Ch. Sarkar**
HoD, Associate Professor, Ananda Chandra College, Jalpaiguri.
- ◆ **Mr. Ranjit Kar**
Member, Governing Body, Dhupguri Girls' College.
- ◆ **Mr. Tapash Kr. Sarkar**
Member, Governing Body, Dhupguri Girls' College.
- ◆ **Mr. Pankaj Kumar Das**
Member, Governing Body, Birpara College.
- ◆ **Mr. Jayabrata Bhattacharjee**
Member, Governing Body, Birpara College.

About Dhupguri Girls' College

Dhupguri Girls' College was established with a vision to foster and cultivate the zeal for learning and education amongst the underprivileged women, especially in this region of Dooars, Khasi Bengal. Developmental programs and governance of a postcolonial state has started to make inroads in this region only in the recent past, and since then a lot of thinking has gone into educating women in various walks of life but alone can make them stakeholders in an inclusive framework of human growth and development. Since its inception in 2013, this institution has nurtured aspirations for higher education in those remote corners of the rural hinterland, amidst lots of challenges and impediments. We, at Dhupguri Girls' College believe that the pursuit of higher education in the holistic sense of the term can provide an avenue to these women to empower themselves in the contemporary times. Towards this end, the College aims to provide various academic resources to the students in the form of study materials and various audio-visual learning tools, to bring about a positive change in the rural community and strengthen the networks of knowledge transmission and production thereby opening up the avenues for employment opportunities. The enhanced level of awareness through their intellectual pursuits, we believe, will pave the way for innovative practices of thinking in days to come. This vision of the college has continued to grow in the last few years through an optimum utilization of the limited non-commercial funds. The strength of the institution lies in its capability to cultivate its human resources and work independent and bold thinking amongst its pupils in a liberal academic environment.

About Birpara College

Birpara College was established as a commerce college offering B.Com. (General) with English and Bengali as language subjects in 1986. Following increase in student enrolment and acknowledging their demand, the University of North Bengal (UNB) approved Accountancy (Honours) in 2000. By then, the college was also offering courses in humanities. In 1995, UNB had given the college sanction for starting B.A. (General) courses with the Economics, Sociology and Geography as the elective subjects. The introduction of the sanction resulted in marked increase in the number of students and since then the college has got approval for seven Honours subjects—namely, Geography (2001), Bengali (2003), Sociology (2005), History and Nepal (both in 2008), English (2017) and Political Science (2020)—and six elective subjects: History (2005), Nepal (2005), Political Science (2008), Education and Hindu Dharma (2012), and Physical Education (2017). B.Sc. (Program) course with Computer Science, Mathematics and Physics as the subjects was introduced as a self-financed course in 2017. The college authorities still feel the need for introducing certain job-oriented courses as well as some other popular subjects for the benefit of the students.

About IIARI

IIARI is a research organization based on Kolkata. It focuses on integrated studies, program implementation, industry and market research. It mainly covers three domains which include academic development, industrial services and consultancy work. Application of various software, systems of geographic information and distribution of different skill development programs are the key, which provides hands-on training and projects that will help you to explore your motto of the academic counterpart. Innumerable short-term courses are offered hereinafter and sharpen your skills to procure a competitive edge in the workplace.

PROPOSAL LETTER

To
The Principal
Dhupguri Girl' College

Date: 13-04-2023

Subject: Request for Permission to Run a One-Month Certificate Course on GIS

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing to seek your permission to organize a one-month certificate course on Geographic Information System (GIS) for the students of our institution. GIS is an emerging field that plays a vital role in various sectors, including geography, urban planning, environmental science, and disaster management.

I would like to present the following details regarding the proposed GIS certificate course:

Course Duration: One month (30 days)

Course Objectives:

- To introduce students to the fundamentals of GIS technology, its applications, and its relevance in various fields.
- To provide hands-on training on GIS software, data collection, analysis, and visualization techniques.
- To enhance students' spatial thinking skills and their ability to solve real-world problems using GIS tools.
- To encourage interdisciplinary learning and foster collaboration among students from different disciplines.

Course Structure:

The course will consist of interactive lectures, practical sessions, and project work. The syllabus will cover topics such as introduction to GIS, data types and sources, GIS software and tools, spatial analysis, cartography and visualization, and case studies from different domains. Guest lectures by industry experts and field visits to relevant organizations will also be organized to provide practical exposure to the students.

Assessment and Certification:

Participants will be evaluated through quizzes and a final online practical examination. Upon successful completion of the course, participants will receive a certificate of achievement.

We believe that the proposed GIS certificate course will provide valuable learning opportunities to our students, enabling them to develop essential skills and enhancing their career prospects. It aligns with the vision of our institution to foster holistic education and promote interdisciplinary learning.

With Regards,
Dr. Chharati Ghosh

NOTICE

Date: 20-04-2023

This is to notify that students of the Geography Department of Dhupguri Girls' College, along with researchers, academicians, postgraduate students, and professionals, are hereby invited to participate in the forthcoming Geospatial Approach course. This intensive one-month capacity building certificate course, offered in collaboration with the Integrated Institute for Advanced Research and Information (IIARI), is designed to impart advanced knowledge and skills in Geographic Information System (GIS), remote sensing, and their applications. Conducted online via Zoom, the course will run from 04-05-2023 to 09-06-2023. Seize this opportunity to enhance your understanding and expertise in the field of geospatial technologies. For registration and further details, please visit our website or contact the department coordinator directly.

Report on the GIS Capacity Building Certificate Course

➤ Introduction

The Geospatial Approach course offered by Dhupguri Girls' College in collaboration with the Integrated Institute for Advanced Research and Information (IIARI) was a one-month capacity building certificate course aimed at providing participants with advanced knowledge and skills in Geographic Information System (GIS). The course was conducted online via Zoom and covered a wide range of topics related to GIS, remote sensing, and their applications. The course started from 04-05-2023 and ended on 09-06-2023. This report aims to provide an overview of the course and its impact on the participants.

The course concluded with a closing ceremony, featuring an important speech by Dr. Debnath, the Principal of Dhupguri Girls' College, sharing experiences by Dr. Debarshi Ghosh, the Head of the Department of Geography, and a vote of thanks by Mr. Abdul Momin Hoque, the convener of the program.

Week	Topics Covered
1	Overview of GIS - RS & Its Application, Accuracy Assessment, Concept of DEM, Satellite & DEM Data Download, Spatial Analysis (DEM, Slope, Aspect, Contour, Hillshade)
2	Image Enhancement, Image Rectification, Image Merge, Stacking
3	Interpolation Techniques (IDW, Spline, Kriging), Relative Relief, Ruggedness Index, Drainage Density, Stream Ordering, Watershed Analysis
4	NDBI (Normalized Difference Built-up Index), NDVI (Normalized Difference Vegetation Index), MNDWI (Modified Normalized Difference Water Index), Soil Index, Glacial Index, Introduction to GNSS (Global Navigation Satellite System), GPS Mapping using QGIS, Google Earth Pro & Its Application, Preparation of Location Map of the Study Area.

The GIS capacity building certificate course was organized and executed successfully under the guidance of a dedicated Organizing Committee and Advisory Committee. Their expertise and efforts played a crucial role in the smooth functioning of the course. The committees were comprised of esteemed individuals from the field of geography and applied geography.

➤ **Organizing Committee**

- 1. Convener:** Mr. Abdul Momin Hoque from the Department of Geography took the lead in organizing and coordinating the course. His vision and commitment ensured the successful implementation of the program.
- 2. Co-Convener:** Dr. Debarshi Ghosh from the Department of Geography provided valuable insights and support in organizing the course. His expertise and guidance contributed to the overall success of the program.
- 3. Cashier:** Mr. Bhabani Roy (Acting Accountant) efficiently managed the financial aspects of the course, ensuring proper handling of funds and transparency in financial transactions.
- 4. Organizing Secretary:** Mr. Sanjay Mandal, a Research Scholar from the Department of Geography at Dhupguri Girls' College, played a pivotal role in coordinating the

4. **Co-Patron:** Mr. Rahul Chakraborty, Director IIARI contributed to the course as a Co-Patron, providing support and assistance in various capacities.

➤ **Advisory Committee**

The Advisory Committee comprised renowned experts from the field of geography and applied geography, who provided guidance and oversight throughout the course:

1. Professor Deepak Kumar Mandal, Head of the Department of Geography & Applied Geography at NBU, brought his extensive knowledge and experience to the committee, offering valuable insights and direction.
2. Dr. A. Basak, an Associate Professor from the Department of Geography & Applied Geography at NBU, provided expertise and guidance in shaping the course content and objectives.
3. Dr. Snehasish Saha, an Assistant Professor from the Department of Geography & Applied Geography at NBU, contributed to the Advisory Committee, sharing his knowledge and expertise in GIS and related fields.
4. Mr. Anil Kr. Chakraborty, the GB President, lent his support and expertise to the committee, ensuring effective governance and decision-making.
5. Dr. Debarati Dutta, the IQAC Coordinator, played a vital role in maintaining the quality and standards of the course, ensuring it met the required benchmarks.

The collective efforts of the Organizing Committee and Advisory Committee, under the leadership of Mr. Abdul Momin Hoque and Dr. Debarshi Ghosh, respectively, were instrumental in making the GIS capacity building certificate course a resounding success. Their dedication, expertise, and guidance provided an enriching learning experience for all the participants.

➤ **Course Impact and Future Prospects**

The GIS capacity building certificate course provided valuable knowledge and skills to the participants, enabling them to understand research approaches and enhance their abilities in utilizing GIS in their studies and professional lives. The course catered to both undergraduate and postgraduate students, focusing on their specific courses and future career prospects.

The course emphasized the growing importance of geospatial technology in research and policymaking, with the potential to shape society's future policies. The participants were equipped with the knowledge of advanced GIS.

About Dhupguri Girls' College

Dhupguri Girls' College was established with a vision to foster and cultivate the zeal for learning and education amongst the underprivileged women, especially in this region of Dooars, North Bengal. Developmental programs and governance of a postcolonial state has started to make inroads in this region only in the recent past, and since then a lot of thinking has gone into inducting women in various walks of life that alone can make them stakeholders in an inclusive framework of human growth and development. Since its inception in 2013, this institution has nurtured aspirations for higher education in these remote corners of the rural hinterland, amidst lots of challenges and impediments. We, at Dhupguri Girls' College believe that the pursuit of higher education in the holistic sense of the term can provide an avenue to these women to empower themselves in the contemporary times. Towards this end, the College aims to provide various academic resources to the students in the form of study materials and various audio-visual learning tools, to bring about a positive change in the rural community and strengthen the networks of knowledge transmission and production thereby opening up the avenues for employment opportunities. This vision has continued to grow in the last few years through an optimum utilization of its limited resources and funds of the college. The strength of the institution lies in its potential to cultivate its human resources and instil independent and bold thinking amongst its pupils in a liberal academic environment.

About IIARI

IIARI is a research organisation based in Kolkata. It focuses on integrated studies, program implementation, industry and market research. It mainly covers three domains which include academic development, industrial services and consultancy work. Application of various software, system of geographic information and illustration of different skill development programs are the key, which provides hands-on training and projects that will help you to explore your motto of the academic counterpart. Innumerable short-term courses are offered here interests and sharpen your skills to procure a competitive edge in the workspace. IIARI aims to inculcate knowledge and skills among the budding geographers to make them competent enough to fight in the prospective world of GIS as well as to procure a place in this emerging space.

Scope

This COURSE will appeal to those who require an understanding of research approaches. Most importantly, it will help to enhance the ability to utilize the knowledge/skill in their studies or in professional lives. And also, it will be very helpful to those who are pursuing Under-graduate and Post-graduate courses. The eminent geographers of the world are of the opinion that in near future the Geo-spatial technology will play a pivotal role in the field of research and will help the society at large to frame its policies. This COURSE will also help the students immensely, as we focus on their specific courses of both UG & PG. Further, the COURSE aims to sharpen the logical mind of students for their upcoming Professional lives. Moreover, this endeavour will make it possible to offer such an expensive course in a pocket friendly manner to the rural folks of North Bengal.

Future Prospects

The student participants can choose the Geoinformatics/GIS based career as an alternative path after completing their studies as the domain promises lots of opportunities in future. The Public sectors such as central governments, state governments and innumerable statutory bodies, are directly recruiting the GIS professionals. Apart from them, the huge private sectors are in a hunting mode throughout the year so that they can make up their shortage of manpower. GSI, SOI, NATMO, DST are some of the examples in public domain whereas ESRI, HEXAGON, WRI are one of the leading recruiting MNCs in Geoinformatics/GIS. We are here to assist you in getting a foothold in this domain.

TOPICS

Week: 1

- Overview of GIS – RS & Its Application
- Accuracy Assessment
- Concept of DEM
- Satellite & DEM Data Download
- Spatial Analysis :
 - I. DEM
 - II. SLOPE
 - III. ASPECT
 - IV. CONTOUR
 - V. HILLSHADE

Week: 2

- Image Enhancement
- Image Rectification
- Image Merge
- Stacking

Week: 3

- Interpolation
- IDW
- Spline
- Kriging
- Relative Relief
- Ruggedness Index
- Drainage Density
- Stream Ordering.
- Water Shed

Week: 4

- NDBI
- NDVI
- MNDWI
- SOIL INDEX
- Glacial Index
- Introduction to GNSS
- GPS Mapping using QGIS
- Google Earth Pro & Its Application
- Preparation of Location Map of the Study Area.

Report on State Level Seminar on Geo-Informatics

On 17th February 2023, Dhupguri Girls' College, in collaboration with Sukanta Mahavidyalaya, successfully hosted a One-Day State Level Seminar on 'Geo-Informatics and Its Application in Geographical-Geoarchaeological Research'. The seminar featured three distinguished speakers: Dr. Debdeep Bhattacharjee, Dr. Biswajit Roy, and Rahul Chakraborty, who shared their expertise on various topics related to Geo-Informatics, enriching the knowledge of students and faculty alike. **Total 75 students** from the host department along with from Sukanta Mahavidyalaya and Falakata College joined the seminar.

Dr. Bhattacharjee, from Sukanta Mahavidyalaya, initiated the session by discussing the essence of GIS and the significance of field techniques in contemporary research. His insightful talk emphasized practical application, greatly benefiting the participants engaged in higher-level geographical studies.

Following him, Dr. Roy, an esteemed assistant professor from Pijush Kanti Mukherjee Mahavidyalaya, captivated the audience with his advanced insights on Geo-Informatics and its pertinence in Geoarchaeological research, shedding light on the modern methodologies that are shaping geographical studies.

The seminar concluded with an engaging presentation on 'GIS and Career Counselling' by Mr. Chakraborty, Director of IIARI, Kolkata. His session provided a comprehensive overview of the career prospects in Geo-Informatics, encouraging students to explore diverse opportunities in the field.

The seminar was well-received, with enthusiastic participation from students of both Dhupguri Girls' College and Sukanta Mahavidyalaya. The event not only provided a platform for academic exchange but also inspired students to consider Geo-Informatics as a dynamic and promising field for their future careers. The organizing committee extends its gratitude to all the speakers and participants for making the seminar a grand success.

Date 16.09.2021

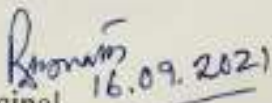

NOTICE

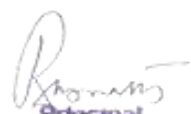

Date: 16-09-2021

We are pleased to announce that Dhupguri Girls' College, Department of Geography, in collaboration with IQAC, successfully conducted a state-level webinar titled "Climate, People and Sustainability" on September 29, 2021. The event was marked by the participation of 206 scholars from esteemed institutions such as the University of North Bengal, University of Calcutta, Raiganj University, and many others.

This webinar provided an invaluable platform for discussing the vital issues of climate change, sustainability, and their impact on human societies. We encourage all students who could not attend to check the college's portal for recorded sessions and resources shared during the event.

Programme Report on the One Day State Level Webinar on "Climate, People and Sustainability"

Date: September 29, 2021

Organized by: Dhupguri Girls' college, Dept. of Geography in collaboration with IQAC

In a significant endeavor to address the pressing issues of climate change, sustainability, and their impact on society, Dhupguri Girls' college, Dept. of Geography successfully hosted a state-level webinar titled "*Climate, People and Sustainability*" on September 29, 2021. This virtual conference brought together an impressive number of **206 participants** from a broad spectrum of academic institutions, including the University of North Bengal, University of Calcutta, Dhupguri Girls' College, Raiganj University, and many others, representing a collective endeavor to delve into the challenges and opportunities lying at the intersection of environmental sciences, geography, and societal development.

Objective of the Webinar

The webinar aimed to foster a comprehensive understanding of the Anthropocene era, characterized by significant human impact on Earth's geology and ecosystems, including climate change. It sought to explore the multifaceted interactions between climate variability, extreme weather events, and their profound effects on human livelihood, agricultural practices, and overall sustainability in the face of escalating environmental and geopolitical crises.

Resource Persons and Key Presentations

The webinar was graced with the insights and expertise of distinguished speakers:

Prof. Subir Sarkar of the University of North Bengal, who presented on "Landform Evolution of Darjeeling-Sikkimese Himalaya," offering a detailed analysis of the geological changes in the region and their implications for biodiversity and human settlement.

Prof. L.N. Satpati from Calcutta University, who shared his knowledge on "Climatic Disasters and Management," focusing on the urgent need for effective strategies to manage and mitigate the impact of climatic extremes on communities.

- **Prof. Ranjan Roy**, also from the University of North Bengal, discussed "Sustainable Agricultural Practices," highlighting innovative approaches to agriculture that ensure food security while minimizing environmental degradation.

- **Participation and Engagement**

The webinar saw active participation from faculty and students across various educational institutions, reflecting a keen interest in addressing the pressing issue of climate change and its widespread effects. Participants engaged in thought-provoking discussions, raising questions and sharing insights on sustainable solutions to mitigate the adverse impacts of climatic variability on human and natural systems.

- **Relevance of the Topic**

The relevance of the webinar's theme was underscored by the current global challenges posed by climate change, environmental degradation, and the pursuit of sustainable development goals. It highlighted the critical need for an interdisciplinary approach to understanding and addressing the complexities of climate variability, extreme weather events, and their direct impacts on society, economy, agriculture, and overall human well-being.

- **Conclusion**

The "Climate, People and Sustainability" webinar was a significant step forward in mobilizing academic and research communities towards understanding and addressing the challenges posed by climate change and sustainability. It emphasized the importance of collaborative efforts, innovative research, and sustainable practices to ensure a resilient and sustainable future for all.

- **Committee of the Webinar**

The success of the webinar was made possible by the dedicated efforts of the organizing committee, including Chief Patron Dr. Bijoy Debnath, Patrons Prof. Subir Sarkar and Prof. Ranjan Roy, Invited Resource Persons Prof. L.N. Satpati, and Conveners Dr. Debarshi Ghosh and Somenath Kar, among others.

Certificate of Appreciation

To
Dr Rajarshi Mitra
Assistant Professor and HOD
Humanities and Social Sciences
IIT, Guwahati

In recognition of your invaluable contribution and insightful presentation on Research Methodology titled "From Inquiry to Insight", delivered on 10-04-2023 from 11:00 AM to 2:00 PM with expertise and enthusiasm to the faculty members of Dhupguri Girls' College and Ghoksadanga Birendra Mahavidyalaya.

We believe your deliberation on the topic has greatly enriched our academic community and provided practical training to those engaged in various ethnographic projects and field work and enhanced their understanding of **Research Methodology**.

We extend our deepest gratitude for your participation and contribution to the advancement of Humanities and Social Sciences Research.

With Warm Regards,

 Dr Bijoy Debnath Principal Dhupguri Girls' College Dhupguri, Jalpaiguri	 Dr Debarati Dutta IQAC Coordinator Dhupguri Girls' College	 Dr Mrinalni Ghosh Jt IQAC Coordinator Ghoksadanga Birendra Mahavidyalaya

REPORT OF THE FDP

Name of activity: **FIRST FDP ON "RESEARCH METHODOLOGY"**

Category: **ONE DAY WORKSHOP FOR FACULTY MEMBERS'**

Topic: **RESEARCH METHODOLOGY**

Organising unit: **IQAC, DHUPGURI GIRLS' COLLEGE IN COLLABOARTION WITH GHOKSADANGA BIRENDRA MAHAVIDYALAYA**

Date: **10th April 2023**

Time: **11 A.M -4 P.M**

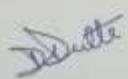

Venue: **DGC MAIN CAMPUS, ROOM 5**

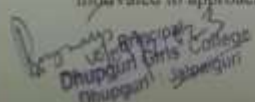

Name of resource person/s (with designation): **DR RAJARSHI MITRA, ASSISTANT PROF AND HOD, HUMANITIES AND SOCIAL SCIENCES, IIT GUWAHATI**

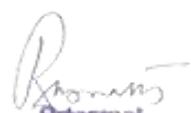

Number of participants: **12**

Brief description of event and Programme outcome:

The event, organized for the faculty members, especially those who are currently pursuing their research was planned as an extensive skill building session to familiarize the beginners with the methodological dimensions of approaching the research question. The resource person conducted a very interactive hands-on session. The intensive interactive training covered all facets of research and the challenges of formulating research module. Many faculty members were present and were highly benefitted with the interaction and could find themselves motivated to approach research in their own field.
