Since its inception in 2013, the institution has nurtured aspirants for higher education in three remote corners of the rural hinterland, amidst lot of challenges and impediments. We, at Dhupguri Girls' College believe that the pursuit of higher education in the holistic sense of the term can provide an avenue to these women to improve themselves in the contemporary times. Towards this end, the College aims to provide various academic resources to the students in the form of study materials and various audio-visual learning tools, to keep abreast a positive change in the rural community and strengthen the network of knowledge transmission and production thereby opening up the avenues for employment opportunities. The enhanced level of awareness through the intellectual pursuit, we believe, will pave the way for innovative structures of thinking to take to come. This vision of the college has continued to grow in the last few years through an optimal utilization of its limited resources and funds. The strength of the institution lies in its potential to utilize its human resources and build independent and self-reliant learning in light of a shared academic environment.

About Birpara College

Birpara College was established as a women's college offering B.Com. (General) with English and Bengali as language subjects in 1986. Following admission in various streams and acknowledging their demand, the University of North Bengal (UNB) approved Accountancy (Honours) in 2000. By then, the college was also offering courses in Humanities. In 1995, BPU had given the college sanction for starting B.A. (General) courses with the Economics, Sociology and Geography as the elective subjects. The introduction of the Humanities resulted in gradual increase in the number of students and the college has got approval for seven Honours subjects—namely, Geography (2001), Bengali (2003), Sociology (2005), History and Nepali (both in 2010), English (2017) and Political Science (2020)—and an elective subject: History (2021). It also (2005), Political Science (2009), Education and Hindi (both in 2012), and Physical Education (2017). B.Sc. (Computer) course with Computer Science, Mathematics and Physics as the subjects was introduced as a self-financed course in 2017. The college authorities still feel the need for introducing certain job-oriented courses as well as some other popular subjects for the benefit of the students.

PROGRAM REPORT, DEPARTMENT OF ENGLISH

“LADY DOCTOR”

The Department of English has arranged a Drama Performance as a part of cultural activity on women education and women empowerment on 03/02/2023 at 2:00 pm in the room no 5 of the college on “LADY DOCTOR” under the guidance and supervision of Prof. Suvankar Jana sir (Dept. of English) for the importance of women education and their improvement. The students of 2nd semester in English (Hons) have practiced for more than week for the successful performance of the drama. And finally, they have really performed so well in the background of a track music. Hapati Roy played the role of the ‘Lady Doctor’ very well. Others members of the group were Rakhi Das, (mother-in-law), Lachmina Parvin, (the mother of the ‘Lady Doctor’, deprived of education of husband’s love), Bhagbati Mandal (would be husband’s mother), Babita Roy, Punam Paul, Sukanya Das, Anamika Barman and many others. The girls’ performance really won the hearts of all the audience. The Hon’ble Principal sir appreciated the performance of the girls and admired the topic of the drama and the message that ‘ a girl child is still seen as a curse’ in some of the families. The department will arrange more such programs in near future.

THEMATIC OUTLINE

Living in the times of a virus now which has broken into all borders and penetrated the noise of the local-global, the everyday contours of territoriality have never been more ambiguous and fluid much like the space of the global south. The webinar seeks to address this space as an indeterminable palimpsest, and a search for a dialogue across epistemological borders through the lens of nationalisms opening up spaces to rethink discourses, voices and intellectual pathways that have shaped the life-world of the region.

The eminent panelists will engage both in Bangla and English throughout their talk and dialogue with each other.

When we are
TOGETHER

"LAUGHING
with friends is the
BEST kind of laughing
-there is."

Learning Objective:-

At first, we knew the best and best thought for Rabindranath Bhavan. We were strongly motivated the moment told by Rabindranath Bhavan. We know from the information that Rabindranath visited Mungpur from time to time. He came to Mungpur on 21 May 1908. He stayed at Chakoma 'Sural' bungalow house. He came to Mungpur and composed various poems. They are 'mangur', 'mangur', 'mangur' etc. There we can also know that 'Gitanjali' written by him is translated into various languages of the world. They are Danish, Greek, French, German, Italian, Spanish, Chinese, Japanese, Dutch, Hindi and others.

∴ Rabindranath Bhavan ∴

Learning Outcome:-

We went on an excursion and got to know some new things. The environment and culture were brought specially to us. There we got to know the local language. We got to be friends with everyone there and spent many beautiful moments with the teacher and madam. There we also learnt that the joy of being together with everyone is different.

This excursion enhanced our knowledge of this historical museum and places. This experience of this visit will be everlasting in our minds.

REPORT ON STUDENTS' EXCURSION, 2023, DEPTT OF POLITICAL SCIENCE

Excursion Report: Dhupguri Girls' College, Political Science Department

Date: 12th May 2023

Participants: 45 students from the Political Science Department of Dhupguri Girls' College

Destination: Buxa Hill and Jayanti Hill Area

Introduction:

The excursion organized by the Political Science Department of Dhupguri Girls' College aimed to provide students with firsthand experience of the historical significance and socio-political dynamics of the Buxa and Jayanti hill areas. With a total of 45 enthusiastic participants, the trip promised to be an enlightening journey.

Highlights:

Buxa Hill: The visit to Buxa Hill was marked by a tour of the British jail, where freedom fighters were once held captive. Students listened attentively to the guides as they recounted the struggles of the freedom fighters and the harsh living conditions they endured on the hill. The narratives shed light on the failures of the local self-government in providing basic amenities such as healthcare and water supply to the residents.

Jayanti Hill Area: The exploration of the Jayanti Hill area provided students with an opportunity to witness the natural beauty of the region. Amidst the lush greenery, the students gained confidence in navigating and understanding the terrain.

Reflections:

The excursion evoked strong emotions among the participants, with many expressing their reverence for the sacrifices made by the freedom fighters. Tears were shed as pledges were made to contribute towards the betterment of our motherland. The

experience not only deepened their understanding of history but also instilled a sense of responsibility towards building a better society.

Conclusion:

The excursion to Buxa and Jayanti hill areas proved to be an enriching experience for the students of Dhupguri Girls' College. It provided them with valuable insights into the historical struggles and contemporary challenges faced by our society. The trip served as a catalyst for personal growth and inspired the students to strive for positive change in their communities.

REPORT ON WORLD ENVIRONMENT DAY

A REPORT ON THE CELEBRATION OF 'WORLD ENVIRONMENT DAY', 2022. Dt. 07.06.22

The World Environment Day is celebrated on 5th June every year. This day is celebrated for encouraging awareness and action for the protection of the environment. This year, we also celebrated the day with passion and promise. For some unavoidable circumstances, after having a thorough discussion with the Principal and Teacher's council members, we have unanimously decided to celebrate the day on 7th of June, 2022 in the college campus. The members also had a discussion to organize various cultural programmes in competitive and non-competitive modes, poster presentation session and plantation of tree sapling around the college ground with the help of NSS unit of the college.

On 7th June, 2022 at 11:30 am, the programme was started with the plantation of tree sapling around the college ground with the help of NSS unit coordinator Sri. Suvankar Jana, Hon'ble Principal, other faculty members and students of the college. The faculty members planted 4-5 saplings by the side of the college entrance. Students of the NSS unit put an effort to plant atleast 30 sapling around the college campus and took the oath to make the campus green.

The 2nd half of the Programme initiated at the room no.07 well decorated by the students of the college. In the inaugural part, Smt. Satarupa Sarkar (Convener of cultural committee) and Mr. Kousik Sutradhar (Member of cultural committee) led the students to sing an opening song (*Dhonodhanyapuspebhora*,....) which set the tune of the programme. It followed by the valuable speech delivered by Dr. Nirmal Ch. Roy who very lucidly presented the importance of the day in front of the students. Dr. Debarshi Ghosh presented the welcome address. The programme was jointly hosted by Smt. Jyotikana Barman (Bengali Dept.) and Dr. Debarshi Ghosh (Geography Dept.). The students performed in various categories viz. recitation, song, speech on relevance of the day. The anchor of the programme Smt. Jyotikana Barman recited in a very alluring way and the audience got spell-bound. Mr. Kousik Sutradhar gave a tribute to the recently passed away famous singer KK through his own voice in chorus with the students and other presented faculty members. Dr. Somenath Kar also recited a self-created poem in front of the audience.

In the 3rd half of the programme started from 2:00 PM, the students participated in an Audio-Visual Quiz Contest jointly convened by Dr. Debarshi Ghosh, Dr. Somenath Kar and Mr. Suvankar Jana. The quiz was divided in to two parts viz. the preliminary round and the main round. Total 7 teams (1 member) were selected for the final round. All the questions were presented before the students in PPT mode related to the environment. Finally, after 4 rounds of tough war among the teams, Bhumika Roy, a student of 3rd semester, Geography Hons, grabbed the Champion prize in her bag and Sushmita Biswas, a student of 6th semester, Geography Hons, lifted the runners up trophy. The whole programme was cherished by the students and other faculty members.

Brief description of event and Programme outcome : The event, organized by the Literature Departments of the College, namely Bangla and English was planned as an extensive outreach program, involving community participation as well as student interaction with the poets. The intensive program not only celebrated community folk songs namely "*Bairati Nritya*" and "*Bhawaiya sangeet*" by the students as well as performers; but also explored and remained witness to various poetry readings by the distinguished poets as well as the promising students. Many students were present in the workshop, and were greatly benefitted from the interaction with the prominent poets. This was a new way of bridging the gap between their textual reading and the life world of the poets and Rajbangshi community. Besides, poetry reading, there was also a panel discussion on the issue of "The Crisis and future of Rajbangshi Poetry", moderated by Prof. Biswajit Roy, Assistant Prof in Bengali, A.C College, Jalpaiguri.
