## Health Harmony Project Report.

### **Event No. 1                      DATE - 02.06.24**

The NSS Unit of Dhupguri Girls' College launched the "Health Harmony Project" with a successful first event. While at Dhupguri's busy market, we rescued Jotsna Sarkar, a 50-year-old woman suffering from a sudden illness. We brought her to our new college campus, administered first aid, and contacted her son. He arrived from Salbari and admitted her to Dhupguri Rural Hospital. This prompt action highlights our commitment to community health and support.

### **Event No. 2                      DATE - 11.06.24**

The NSS Unit of Dhupguri Girls' College continues its dedicated efforts under the "Health Harmony Project." In our second event, we assisted Rokeya Begam, a 48-year-old resident of our adopted village, College Para, who was suffering from severe chest pain. Given her poor financial condition, we took her to Siliguri to see Dr. Pronomita Ghosh. She was referred to an orthopedic specialist. Assistant Police Commissioner Farukh Choudhary and his team provided significant support, facilitating her treatment at North Bengal Medical College. Rokeya underwent an X-ray and is scheduled for an MRI next Friday. ACP Farukh has generously housed her in his rented apartment for four days to ensure her ongoing treatment. This collaborative effort underscores our commitment to community welfare and the importance of multi-agency support in health crises.
