REPORT OF THE PROGRAMME

Dengue Awareness Program at Paschim Magurmari village and distribution of some Mosquito-net Distribution to Prevent Dengue.
12/04/2019

The NSS unit of Dhupguri Girls' College, has visited Paschim Magurmari (Jatiner hat) Gram Panchayet with almost **30 NSS volunteers** from the college. The volunteers made a Dengue awareness camp among the villagers of the same and distributed more than 60 mosquito-nets among the poor villagers. The NSS volunteers made the villagers aware of the Dengue disease carried by mosquitoes mainly that reside in the small unclean pool and ponds and encouraged them to sleep inside the mosquito-net always and motivated to spread the message everywhere. The local villagers participated in the program and are highly delighted to get 7x6 feet large nets for their daily living. Prof. Suvankar Jana, NSS Program Officer encouraged the small boys and girls to study well for their own happiness. Sri Tushar Barman from the college helped the volunteers in selecting poor needy villagers. The local villagers were very happy after receiving the nets from the college NSS volunteers.

NO OF PARTICIPANTS: 30
