## Children's Day Celebration Report

Date:14th November 2022 **Location: Laal School, Adopted Village Primary School**

Introduction:

On September 14, 2022, a Children's Day celebration was organized at Lal School, our adopted village primary school. The event aimed to foster a sense of joy, learning, and community among the children.

### **Activities:**

1. Basic English Session: The celebration commenced with a basic English session aimed at introducing the children to simple English phrases and vocabulary. This session was conducted to promote language learning and communication skills among the students.
2. Musical Performance: Following the English session, the children were treated to a series of uplifting songs and musical performances. The songs were chosen to inspire and entertain the children, adding a festive atmosphere to the event.
3. Distribution of Gifts: As part of the celebration, each child was presented with gifts to commemorate the occasion. These included sweets to indulge their sweet tooth, plants to install a sense of environmental responsibility, and books and pencils to encourage their love for learning. The distribution of gifts was met with immense excitement and gratitude from the children, who were visibly thrilled by the unexpected surprises.

The Children's Day celebration at Lal School was a resounding success, bringing smiles to the faces of all the children involved. Through engaging activities, educational sessions, and thoughtful gift-giving, the event not only celebrated childhood but also reinforced the importance of education, creativity, and community. We hope that such celebrations will continue to inspire and uplift the young minds of our adopted village, nurturing a brighter future for generations to come.
