6.2.1 Institutional perspective plan and deployment document as in the website

Since its establishment (2013), Dhupguri Girls' College has grown into a prominent multidisciplinary educational institution. Its mission is to address the educational needs of diverse student groups, coming from varied socioeconomic and religious backgrounds. The college is committed to fostering academic excellence, research, character development, leadership skills, and sensitivity towards gender equality and environmental conservation.

Key Strategies and Objectives:

Transparent and Merit-based Admissions: Adhere to a transparent admission process that aligns with government reservation policies.

Innovative Teaching and Learning: Employ ICT extensively to enhance curriculum delivery and student engagement.

Infrastructure Development: Continuously upgrade facilities to support inclusive education as per government policy.

Student-centric Education: Implement teaching methodologies focused on achieving superior learning outcomes.

Skill Development: Introduce skill-based, value-added, and vocational courses to improve student employability.

Holistic Development: Provide opportunities for extracurricular and co-curricular activities to ensure the all-around development of students.

Creativity and Leadership: Cultivate creativity and leadership qualities among students to prepare them as responsible citizens.

Research and Innovation: Build robust research infrastructure to foster a culture of knowledge creation and innovation.

Promotion of Constitutional Values: Advocate for constitutional values and gender equity through various college activities.

Institutional Development Goals:

Short-term Goals:

- Enhance laboratory facilities as per the CBCS curriculum.
- Develop software for streamlined online admissions.
- Conduct Career Counselling and Remedial classes.

Acquire essential infrastructure including almirahs for offices/departments, laboratory equipment, books, and undertake renovation projects.

Long-term Goals:

- Expand college infrastructure to introduce new programs.
- Improve the college playground and construct a women's hostel.
- Introduce virtual classrooms and digital libraries to enrich the teaching-learning experience.
- Build a college auditorium for larger gatherings and events.

Implementation and Funding:

The IQAC plays a pivotal role in the planning and execution of these strategic goals, with participatory involvement from all stakeholders. The realization of short-term goals is funded through the college's own resources, while long-term objectives are pursued through budget requests to government and non-government funding bodies, ensuring the college's financial sustainability.

Deployment of the Strategic Plan for the Academic Year 2021-22:

Significant achievements include the establishment of a student help desk, enhancement of classroom and infrastructure facilities including smart classrooms, procurement of a Learning Management System (LMS), and substantial upgrades to the college's physical infrastructure. Additional improvements focused on the psychological well-being of students, accessibility for persons with disabilities (PWD), and the modernization of sports and recreational facilities.
