Sub:- Request for putting up a medical camp.

Respected Sir,

I request you to please arrange the free medical camp for our college and NSS unit's adopted village (Uttar Bara Gari), the need of the hour suggests an extra level of awareness from the medical field. We request you to organise this camp in a proper way with proper medical assistance. The date will be coming **Tuesday, 21.03.2023.**

The students and the residents of Uttar Boragari are looking forward for your generous service.

Report on Medical Check-up Camp and Free Thalassemia Testing Program

Date: 21-03-2023**Venue:** Dhupguri Girls' College

Organized by: NSS Unit, Dhupguri Girls' College

The NSS Unit of Dhupguri Girls' College organized a comprehensive medical check-up camp along with a free thalassemia testing program on [date]. The event aimed to provide essential healthcare services to the students and nearby villagers, particularly focusing on thalassemia testing.

Activities and Participants:

1. **Medical Check-up for Girls:** Renowned gynecologist Dr. Sharma conducted medical examinations for approximately 85 girls from the college. This included general health check-ups and consultations regarding gynaecological issues.
2. **Dental Check-up:** A dental doctor attended to the dental health of the attendees. A total of 37 patients received dental check-ups, including examinations for oral hygiene and treatment recommendations.
3. **Thalassemia Testing Program:** A dedicated team from Dhupguri Hospital conducted free thalassemia testing. This was a significant aspect of the event, with 17 teenagers from the nearby adopted village, College Para, undergoing thalassemia screening.

Impact and Benefits: The medical check-up camp and thalassemia testing program had several positive outcomes:

Date.....

- Identification of potential health issues: Many students and villagers received insights into their health status through the check-ups, allowing for early detection and prevention of diseases.
- Thalassemia awareness: By offering free thalassemia testing, awareness about this genetic disorder was raised among the attendees, promoting informed decisions regarding family planning and genetic counseling.
- Community engagement: The event fostered community participation and engagement, especially with the villagers from College Para, strengthening the bond between the college and the adopted village.

The medical check-up camp and free thalassemia testing program organized by the NSS Unit at Dhupguri Girls' College served as a commendable initiative towards promoting healthcare awareness and providing essential services to the students and surrounding community members. Such events contribute significantly to the overall well-being and health awareness of the society, and efforts to organize more such initiatives are encouraged for the future.
