Report on Career Counseling Program at Dhupguri Girls' College

Date: September 22, 2022

Venue: Online Session

Organizer: Career Counseling Cell, Dhupguri Girls' College

Speaker: Dr. Ashif Akram,

Students Attendance Number:35

Introduction:

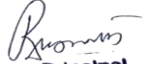

On September 22, 2022, the Career Counseling Cell of Dhupguri Girls' College organized an online career counseling program. The session aimed to provide valuable insights and guidance to students regarding career choices, foreign experiences, and studying abroad. Dr. Ashish Akram, an esteemed professional with experience from IIT Bombay and currently affiliated with University of Kansas in the United States of America, conducted the session.

Program Highlights:

Expert Guidance: Dr. Ashif Akram, with his extensive background in academia and international experience, provided valuable guidance to the participants. His expertise in the field of career counseling and education added immense value to the session.

Career Choices: The session covered a wide range of career options available to students in various fields. Dr. Akram discussed the importance of aligning one's interests, skills, and aspirations with suitable career paths. He emphasized the need for thorough research and self-assessment when making career decisions.

Foreign Experiences: Dr. Akram shared insights into the benefits of seeking international experiences, such as studying abroad or pursuing internships in foreign countries. He highlighted the opportunities for personal and professional growth that come with exposure to diverse cultures and educational environments.

Studying Abroad: A significant portion of the session was dedicated to discussing the process of studying abroad. Dr. Akram provided valuable information on admission requirements, scholarship opportunities, and tips for adapting to life in a foreign country. He addressed common concerns and misconceptions about studying abroad, encouraging students to explore this option as a means of enhancing their academic and career prospects.

Interactive Q&A: The session concluded with an interactive question-and-answer session, where participants had the opportunity to seek clarification on specific topics and engage in discussions with Dr. Akram. This segment allowed for personalized guidance tailored to the needs and interests of the students.

Conclusion:

The career counseling program conducted by Dr. Ashif Akram was a resounding success, providing students with valuable insights and guidance to navigate their career paths effectively. The session not only equipped participants with information about various career options and international opportunities but also inspired them to pursue their goals with confidence and determination. The Career Counseling Cell expresses its gratitude to Dr. Akram for his valuable contribution and looks forward to organizing similar programs in the future to support the academic and professional development of the students.
